Requirements Detailed Report

This report displays all of the requirements defined for the current project in the order they appear in the requirements list. The requirement's details and coverage status are displayed, along with sub-tables containing the list of covering test cases, linked incidents/requirements, attached documents, associated tasks, linked artifacts and the change history

Project466:s3717004

RQ:2640-Scenario 1: Create Account and Sign In

Steps:

1. Go to website

2. Find Sign In button element; Click on Sign In button

3. Find input box element; enter email address

4. Find each element for account details; enter credentials

5. Check if account has been created successfully

6. Find Sign Out button element; Sign Out

7. Click on Sign In; repeat email address to check if account already exists
